Dear Ms. Tell:

This is to inform you about a correction to our 1996 and 1997 FEC reports. After completing an audit on our FEC reports post 1995 special senate campaign we found that two PAC contributions had not been coded accurately in our computer, and did not appear on the correct line on the FEC. We also discovered that we reported an in-kind contribution twice, and therefore, are sent along an updated operating expenditures report. Both of these corrections pertain to the 1996 April 15th filing.

Following that correction, we have corrected the cash-on-hand amounts for the FEC reports since that time. (For your information, the most recent FEC filing has the correct cash-on-hand amount).

Please contact our office if you need any additional information.

Sincerely,

Ray Kendrick
Bookkeeper
